

INVITATION TO SPONSORS

The ICWL 2009 Organizing Committee is delighted to invite sponsors to participate in the International Conference on Web-based Learning (ICWL) 2009 which will take place in Aachen, Germany, 19th -21th August 2009. ICWL 2009 is held on an annual basis and rotates between Europe, Asia and Australia. It is the premier event for reaching a wide cross section of delegates from E-Learnig. It also attracts a highly defined audience of specialists in the field of TEL, pedagogic, social software.

Over 300 delegates from across the world are expected to attend this major event.

The 8th ICWL conference will give all delegates the opportunity to share knowledge and experiences in the web-based learning field.

The Conference also provides a unique opportunity to reach the newest ideas from the research.

There will be a rich program of social events in which the delegates and their partners can choose to participate.

Financial contributions are invited for the 8th International Conference on Web-based Learning from suppliers and organizations that would benefit from having an enhanced profile in this industry.

This is your opportunity to meet a large internationally-based group of research directors, managers and project leaders working field of in e-Learning, web-based technologies and pedagogic.

Different levels of sponsoring will enable you to access special services chosen to promote the partner company. Develop your communication with ICWL 2009 and benefit from the following opportunities:
